About this boat

Put your feet up, relax, and learn about the unique Salt Marsh Ecosystem with all of its nature & beauty, and enjoy some of our local history on this day sail! We'll cut the engine and let the wind do all of the work while you keep an eye out for dolphins and birds! This is a private charter, feel free to bring any drinks & snacks on board! The summer months are hot, we recommend bringing water with your group. We look forward to showing your group an excellent sailing experience!
