About this boat

Discover the unparalleled beauty of Key West's coral reef, the third-largest living coral reef in the world and the only living coral barrier reef in the continental United States. Stretching over 160 miles, this vibrant ecosystem is a sanctuary for an astonishing array of marine life. Dive into crystal-clear waters to witness more than 1,200 species of marine plants and animals, including 500 species of fish and 40 types of coral. Marvel at the intricate formations of brain coral, elkhorn coral, star coral, dolphins, colorful parrotfish, angelfish and the elusive sea turtles gliding gracefully through the water. Our knowledgeable guides will lead you through this underwater paradise, providing fascinating insi...
