About this boat

A truly unique South African catamaran, one of only three in the world, built in 2013. For a 10m boat, it feels surprisingly spacious and can comfortably fit up to 12 people. It features a hard roof perfect for sunbathing, a king-size cockpit, and extra large sunbed in a front —ideal for relaxing and enjoying the ride. Fully equipped with everything needed for a perfect sailing experience: shower, restroom, swimming ladder, bbq, towels, sup surf, snorkeling equipment and more. Lady A is located at Palm Jumeirah, one of the most stunning locations in Dubai. There are also five anchoring spots and a private, calm cove near the Palm for a peaceful break. Why did I choose this boat as owner? I was always a big fan...
