About this boat

This 7.5-metre rigid inflatable boat, built by the prestigious Italian shipyard Capelli, is a fantastic option for enjoying a day at sea in total comfort and with excellent performance. One of its main highlights is its spacious bow sundeck, which is unusual on a boat of this size and makes it especially comfortable for relaxing and enjoying the sun. Thanks also to the quality and size of its neoprene tubes, it offers very stable, safe and pleasant navigation. It is equipped with a Suzuki DF 250 APX, a powerful and reliable engine that makes this boat a great option for groups of up to 11 people. In 2025, we carried out an important refit, incorporating numerous improvements to offer an even better onboard experience...
