About this boat

Our company was founded in 2019 in Dubrovnik with the wish to provide superior services to our clients. Our boat tour features the culture, scenery and old world feel of Southern Dalmatia by showcasing the National Park of Mljet, Odysseus Cave, Blace Beach, discovering the old town of Lopud, and the breathtaking Blue Cave on Koločep Island. Come with us and visit our favorite Southern Dalmatian islands in a one-day boat tour. You can stroll these locations at your own pace and enjoy Croatian culture, nature and local foods. Come enjoy our new ribbed fleet of boats! They have all the finest of features; first class navigation and radio equipment, plenty of speakers for the sound system, and 250 horsepower engine...
