About this boat

The Riomar 615 is a nostalgic Dutch boat where the engine is completely concealed in a closed bunker. The underwater hull, with 30 cm keel, is specially designed to achieve a speed of 12-14 km per hour while gliding with the least possible resistance and engine power. The Riomar 615 has many seats, large storage spaces, and has a CE approval for up to 10 people. Standard with this boat are the beautiful wooden doors and a nice big wooden steering wheel.
