About this boat

Šibenik is a small town in Croatia located only 15 minutes away from Skradin and 15 minutes from the Krka National Park, known for its waterfalls and beautiful nature. This is a special place because sea and river water collide on it. Apart from these two river water places, only a few minutes away is the famous Cathedral of St. Jakov, which is under the protection of UNESCO and is listed as a World Heritage Site. Kornati National Park is also not far away, especially with this kind of motor boat. At your request, we come to your apartment or hotel address and return you back after the trip. A visit to the largest island archipelago will be an unforgettable experience. You can rent this boat only with a skipper...
