About this boat

Not just comfortable. This model is more refined in design and planning than its predecessors, with particularly pronounced sailing qualities. This beautiful and slender boat from the German Bavaria, with 14 meters in length and a width of 4.3 meters, is a perfect combination of space and fascinating lines. With a double rudder, the sailboat consists of 4 cabins distributed two at the stern, one at the bow and one at the starboard side. Two bathrooms together with the kitchen leave room for a chart table with a U-shaped bench and an additional work table. Boat totally overhauled in 2018
