About this boat

This sailboat can comfortably accommodate 8 passengers in its 4 double cabins. There are 2 private WCS with shower in the aft cabins and at the bow, separately, a toilet and a bathroom. The 2 forward cabins can be transformed into a large owner's cabin (on request). The cockpit is very wide for a 46 footer with a huge bathing platform that folds down electrically when you are at anchor. The solar panels will keep the service batteries well charged. For totally silent and faster navigation while on sail, this sailboat has a folding propeller. The bow thruster will help you with maneuvers in the ports. And I will be happy to welcome you to Lavrio port. Open for negotiations especially for long term charters. See...
