About this boat

What we want to achieve is to provide a 100% Mexican nautical experience. It is on board our boat with high quality standards. We assure you that the experience will be as good as the one you can find anywhere in the world but with the beauty that the Pacific Ocean has to offer, and the warning that our Mexican people have. We can visit 3 different islands, fish and swim with sea lions, our sailboat has water toys such as donut, paddle board, seabot and snorkel. We want to offer you an experience that you will remember for a long, long time. In case you have any special preference, let us know so we can have it on board for you, remember that the crew will have a chef on board if you want any special food we can...
