About this boat

Dufour 405 GL was recognized as the boat of the year by many publications. This is a small but very roomy cruiser. the boat crossed the Atlantic Ocean several times as part of the ARC regatta. The boat is very maneuverable and fast, not overloaded with sails. The boat has the most powerful motor for this model. In combination with a three-bladed folding propeller, a very good combination is obtained in terms of the ratio of engine speed and fuel consumption. The large cockpit can comfortably accommodate 8 people. Adjusting the rigging allows you to go out into the ocean and cross it at any time.
