About this boat

This brand-new sailing yacht, built in 2024, represents the perfect combination of modern design, comfort, and excellent sailing performance. As a newly delivered vessel, it stands out with its immaculate condition, contemporary equipment, and a thoughtfully designed layout tailored for relaxed cruising. The yacht is equipped with an inverter that allows the use of essential electrical appliances while underway, while the air conditioning provides a pleasant interior climate when connected to shore power in marinas. Although it does not have a generator, it is designed for efficient energy management and offers everything needed for a comfortable stay at sea. An additional highlight is the spacious bathing plat...
