About this boat

I buyied this sailboat beacouse i always loved it! The costruction is made like they doesn't make any more; the hull is built with seriuos hard project, a lot of kevlar and gealcoat, and gorgeous, luminous and real wood interior design. Gloria is very confortable and spacious, 7 people can sleep in beds and 2 in the dinette. 6 people can eat in the table outside. Greece, eolian and egadian island only some place to reach easily. Gloria is moreed in front a new Palermo's Marina Yachting with a lot of new luxury shops, restaurant and the biggest musical fountain in Europe, and it is in the old part of the city, full of history, monuments, churches and the best food in the world
