About this boat

This brand-new sailing yacht, built in 2026, combines contemporary design, exceptional comfort, and reliable performance, making it an ideal choice for extended cruising or charter adventures. With a total of five cabins, it offers ample space and privacy for larger groups, while its registration for 12 people ensures a comfortable stay for all guests on board. The vessel is equipped with solar panels that provide additional energy autonomy while sailing, reducing the need for external power sources. The air conditioning system keeps the cabins and saloon pleasantly cool when connected to shore power, and the inverter allows the use of essential electrical appliances even when away from marinas. As a newly built...
