About this boat

A reef fishing trip in Belize typically involves a guided tour to the nearby coral reefs, where visitors can try their luck at catching a variety of fish species. Price starts at \$650 per day. The tour usually begins with a short boat ride from the coast to the fishing location, where visitors will receive instructions and gear, including fishing rods, bait, and tackle. The tour guides are experienced fishermen and know the best spots to catch the local fish. Once at the fishing location, visitors will have the opportunity to cast their lines and try their luck at catching a variety of fish species, including snapper, grouper, barracuda, and more. The crystal clear waters of Belize provide excellent visibility,...
