About this boat

We start our 3 hours trip in the morning in the historic harbour of Portimão. We follow the Rio Arade, passing the fishing village of Ferragudo and two medieval forts entering the Atlantic Ocean. Along the beautiful coastline of the Algarve we pass to lighthouses, beaches and caves. Nearby Benagil, Praia da Marinha we board on our traditional cave boats. Through close or wide openings we take you into dark or colorful shimmering, dome-like caves. Then we will return to Portimão.
