About this boat

Saona Island is located in the extreme southeast of the Dominican Republic. It is part of the Parque Nacional del Este and is known for its mangroves, coral reefs, and palm-fringed beaches, such as La Palmilla. The island's shallow waters are home to starfish. Mano Juan is a quiet fishing village near the Laguna de los Flamencos. If you have any questions, we can answer those through GetMyBoat's messaging platform before you pay.
