About this boat

The legendary Scorpion rib company needs no introduction. Seen by many as one of the most capable rough-water ribs in the world, this one has been truly crafted to perfection. With her original owners from the outset (who have had many custom built Scorpion ribs), they scrutinised every aspect of the specification pre-build, to ensure the perfect blend of performance and usability. She was laid up in late 2018 but commissioned and delivered in May 2019. Bespoke Ice-white Orca hypalon tubes with grey teardrop rubbing strake and yellow/grey detailing. Built as a custom Serket 92 (9.25 LOA), she is powered by a pair of silky Honda BF250hp 4-stroke petrol outboard motors, combined with race throttles for exhilarati...
