About this boat

The fly-bridge of the new F430 meets highest standards regarding design, functionality and finishing and offers a dining area. Together with the fly-bridge there are four lounge areas on the 43 feet (13,55 m) long ship – in the saloon, the cockpit and on the bow. With a width of 4,20 m the Sealine F430 offers enough room for three full-featured cabins. The walls of the cabins are lined with real slate. Fine leather panels on the bed and soft carpets on the floor complete the classy interior.
