About this boat

We are pleased to offer this well-maintained 2006 Selene 40 trawler, powered by a single Cummins QSB 5.9 diesel engine with less than 1,500 engine hours. Extensively equipped for comfortable and safe long-range cruising, she features Wesmar stabilizers, a generator, watermaker, bow and stern thrusters, and a comprehensive range of navigation and onboard systems. A major refit was undertaken in 2025 and is now nearing completion, bringing the vessel to an exceptional standard. The extensive works carried out have significantly enhanced both her technical condition and onboard comfort. A detailed list of upgrades, improvements, and maintenance works can be found below.
