About this boat

Whether it's cruising the coast, exploring hidden gems, or enjoying time with family and friends, the Hydrosport 909 Semi-Rígido 350cv is ready to make your Lisbon adventure one to remember. This boat is 10m long and is equipped with a 350hp engine, making it a very powerful and agile boat and, as such, considered a speedboat. This type of vessel was developed to withstand the most adverse conditions both on rivers and at sea and is considered the "all-terrain" of water. It can withstand virtually any adversity and, for these reasons, is widely used by the maritime police and navy as an assault and patrol boat. The design of this vessel has been thought out in detail, in a unique way, prioritizing comfort above...
