About this boat

There is no better way to enjoy the uniqueness of Venice than by water with a deluxe wooden boat. You will discover the main 'street' of Venice comfortably on board of our motor-boat, where, between curiosity and history, we will take the opportunity to discover the darkest and most dramatic essence of a fascinating, compelling and theatrical Venice. Weaving together reality and imagination, you can taste the most distinctive finger food Cicheti for example or stopping in some typical Venetian osterie (taverns). Shopping or just a pleasure ride on the Grand Canal are always a perfect way to discover the Historical City Center with a premium deluxe water taxi.
