About this boat

SIRENA 48 COUPE HYBRID Never resting on past successes, Sirena Yachts has turned its creative powers to the idea of creating an efficient cruiser using hybrid propulsion to drive the hull at a variety of speeds. The time to adapt serial hybrid propulsion to cruising yachts is upon us, since we all need to strive to reduce our carbon emissions, and lighter electric motors and batteries are creating greater range opportunities for yachts equipped with hybrid systems. But a groundbreaking propulsion system does not mean this new model will be any less of a Sirena Yacht. Experienced Sirena Yachts enthusiasts appreciate the company's foundation in efficient cruising, exceptional interior and exterior design, high-qu...
