About this boat

We proudly present the SolarisPower 48 Coupé, a sophisticated motor yacht that combines timeless Italian design with impressive performance and comfort. With a length of 14.86 meters and a hull crafted from durable fiberglass, she is designed for effortless cruising and luxurious days on the water. The yacht comes standard with twin Volvo Penta D6 IPS engines delivering 435 HP each, ensuring smooth acceleration, excellent efficiency, and confident handling in a wide range of conditions. Alternative engine configurations are optionally available. The elegant coupé design provides a protected yet open atmosphere, seamlessly connecting the cockpit and salon to create generous living spaces on board. Large windows...
