About this boat

We proudly present the SolarisPower 52 Open, a stunning motor yacht that combines striking Italian design with exceptional performance and comfort. With an overall length of 16.20 meters and a hull built from durable fiberglass, she is designed to deliver both exhilarating cruising and refined relaxation on the water. The yacht comes standard with twin Volvo Penta D6 IPS engines delivering 480 HP each, offering powerful performance, smooth handling, and excellent efficiency. Alternative engine configurations are optionally available. Her spacious open deck layout features generous lounge areas and large sunbeds, creating the perfect setting for enjoying long days at sea with family and friends. The elegant cock...
