About this boat

We proudly present the SolarisPower 60 Open, an exceptional motor yacht that perfectly blends striking Italian design with powerful performance and luxurious comfort. With an overall length of 18.29 meters and a hull crafted from durable fiberglass, she is designed for dynamic cruising and refined living on the water. The yacht comes standard with twin Volvo Penta IPS engines delivering 600 HP each, providing strong acceleration, smooth handling, and impressive efficiency. Alternative engine configurations are optionally available. Her spacious open deck layout offers generous lounge areas and large sunbeds, creating the perfect setting for relaxing days at sea and unforgettable moments with family and friends....
