About this boat

We proudly present the SolarisPower 70 Long Range, an extraordinary motor yacht designed for those who dream of exploring the sea without limits. With an overall length of 21.24 meters and a hull built from durable fiberglass, she combines elegant Italian design with exceptional range, efficiency, and comfort. The yacht comes standard with twin Volvo Penta D13 engines, delivering reliable power, smooth cruising, and remarkable long-distance capability. Alternative engine configurations are optionally available. Her thoughtfully designed layout offers generous outdoor living spaces, spacious lounge areas, and expansive decks perfect for relaxing during long journeys at sea. Inside, the bright and refined salon i...
