About this boat

F1 is different from our other boats. She's a power catamaran – which means she's fast. While our sailing catamarans cruise at 7 knots, F1 cruises at 15–20 knots. That opens up destinations the others can't reach in a single day: Phi Phi Islands, Phang Nga Bay, James Bond Island, and Krabi. Built in 2024, F1 is a brand-new Stealth 42 power catamaran – lightweight, carbon-infused, and designed for both speed and comfort. She's stable (twin hulls), spacious (front "balcony" with trampoline netting), and comes with lunch, towels, soft drinks, and a welcome drink already included in the price. Why guests choose F1 - Speed matters – Reach Phi Phi or Phang Nga Bay in under 90 minutes. More time snorkeling, less time...
