About this boat

The motor yacht “St. Barbara” is designed for river and sea cruises. It was built in 2005 in Nikolaev. The hull of the yacht is metal. The layout of the yacht is double-decked. A flybridge on the roof of the ship's wheelhouse with an additional control post, a seating area for passengers and a Jacuzzi. There is also a tender with a crane beam on the flybridge. The yacht has 5 cabins to accommodate the crew and passengers, a spacious lounge with an audio system, karaoke and light music. The galley is equipped with everything necessary for cooking. The yacht can be in autonomous navigation for up to three days. The passenger capacity is 10-12 people. The yacht is equipped with two Volvo Penta (TAMD 74 A) engines...
