About this boat

STEEL is a Pendennis 54m luxury crewed motor yacht with 7 cabins accommodating up to 12 guests, available for your next charter in the West Mediterranean. STEEL brings drama to the French Riviera in the most elegant way, not through noise or excess, but through presence, proportion, and a level of comfort that is immediately felt. The magnificent Pendennis 54m luxury motor yacht carries a classic small-ship profile that stands apart in a world of fleeting trends, while her meticulous refit makes every area onboard feel beautifully finished and ready to be enjoyed. She is built for smooth, steady voyages, which means the transition from one destination to the next feels calm, scenic, and wonderfully uninterrupted...
