About this boat

Our pocket cruiser is a wonderful yacht in excellent condition. Rebuilt in 2017 with a new YANMAR engine of 30HP. Daniel Andrieu's quest was to design a yacht with character that would not only have potential for speed, but also a responsive helm and that all-important living space when at sea. Sails 2013, Yanmar 30hp Plotter and auto pilot. Effortlessly fast cruising under power or sail and very easy to handle by 2 people. An ideal introduction to Jeanneau sailing at an affordable price.
