About this boat

We are trying to dive into the dive center, explore all the contents, reef dive, cave dive, wreck dive, night dive and dive course to relax and dive and get it from Ad. It is of primary importance to us for safety and security and is very important for fun diving. Technical dive is found when requested. Most of our employees have reached their education level by themselves. English, Russian and French language training is given to the professions at the level of diving instructor. There are many experienced caves, caves, shallow water, deep water, night dive services to offer for better quality diving. WE OFFER: - Diving Course / Diving for Beginners / Reef Diving / Cave Diving / Wreck Diving / Night Diving - E...
