About this boat

Sunreef 80 Eco Otoctone — a new catamaran from Sunreef (launched at shipyard in Gdansk, Poland). The Sunreef 80 Eco Otoctone is a 2025 electric sailing catamaran with eco-friendly electric propulsion and sails. It features up to 550kWh of batteries and a solar power system covering 160 square meters with a 34kW maximum power rating. The yacht accommodates up to eight guests in four double en suite cabins located in the hulls. It can run for 8 to 10 hours at 8 to 10 knots on a single battery charge without fossil fuel. The starboard hull includes a family cabin, a single cabin with a pullman bed, and a galley; the portside has distinct regions. Beam is 37 feet 9 inches, nearly twice as wide as conventional yacht...
