About this boat

Sunseeker 76 is a 23.6-metre yacht built in 2024, presenting a well-balanced combination of space, performance, and practical layout. Powered by twin MAN V12 1550 engines, she delivers efficient cruising with a total of only 150 engine hours. With her excellent, like-new condition, the Sunseeker 76 offers immediate usability without the need for updates or refits. Her layout includes four guest cabins and one crew cabin, supporting both private and crewed voyages. The main deck features a spacious salon with the lounge area located aft and the dining area and galley positioned forward, enabling efficient service flow and open-plan living. The large flybridge offers a well-equipped outdoor space featuring a dini...
