About this boat

Overview A timeless model from Sunseeker, the San Remo always creates a strong impression upon arrival. Sleek and sporty exterior styling with a clever hard top enclosing the cockpit to give protection from the elements. This hard top contains a retracting roof, of stunning design in carbon fibre with 6 glazed apertures, adding to the sophisticated feel of this model. This example looks particularly sporty with her moulded navy blue hull, which enhances the handsome profile of this particular San Remo. Comfortable cruising is her raison-d'etre; so she is equipped with Volvo Penta IPS drives, fitted with the optional with Dynamic Positioning System, and the IPS joystick for economical cruising and ease for manoeuvre...
