About this boat

This Super van Craft 14.80 is an elegant steel motor yacht built in 1993 at the famous Klaassen shipyard in Voorschoten (NL). She is well maintained and has the hull professionally repainted in AWL-Grip, new antifouling and new anodes all completed in September 2025. She is presented in excellent condition and is ready for immediate cruising. Powered by twin MAN diesel engines, the yacht is very well suited for both inland waterways and coastal cruising, with foldable windscreens and a folding instrument arch. The twin engines, especially in combination with the strong bow thruster, ensures confident and effortless handling. The boat is suitable for the French canals. Recent improvements include new covers for...
