About this boat

The Hermes Speedster is a classic boat in retro style with all of today's technical features. The small family business "Seven Sea Yachts" from Greece produces the boats. Everything is made by hand and the love that is put into their work can be seen with a single glance at the Hermes Speedster. Inspired by the 1959 Porsche 356 and the Gentleman's Runabout boats from the 1930s. The result of this extraordinary craftsmanship is a feast for the eyes.
