About this boat

Enjoy time aboard our captained boat on Lake Austin with up to 7 guests. Available for half day, full day or sunset cruises. Captain Dave has spent his life around boats, having lived aboard a sailboat for 3 years and spent a year sailing in the Sea of Cortez. Captain Dave only has one rule: #1 Safety First. Other than that our goal is to have a fantastic time on the lake and build memories! (Note that this is a jet boat that does not have a propeller, which is much safer for families looking to swim or do water sports) Guests can expect to enjoy their time aboard our boat cruising the lake + anchoring and swimming with a lily pad. I have float toys and my boat also has a Bluetooth hookup for you to connect you...
