About this boat

The Triune is a unique 30' trimaran built by Musters Marine at Poole, that was way ahead of its time with asymmetric amas that create lift to windward. The super-sturdy construction with grp mainhull and ply-epoxy amas helped the owner to keep the yacht in good condition. After a number of years under a racing-rig, that was unable to cope with the great stability of the trimaran she carries now her original sailarea on a strong aluminium spar and matching standing rigging. "Antje" is a seaworthy trimaran, suitable for longer trips with an original, classic and functional interior. During the most recent overhaul between 2019 an 2023 important equipment was renewed. The yacht is now in a safe and sound condition...
