About this boat

Now is the opportunity to acquire a 2023 UMS 805 DC, a stable and spacious aluminum day cruiser well suited for both day trips and longer journeys. The aluminum hull is maintenance-free and highly durable, making the boat easy to use year-round. This particular example is equipped with automatic trim tabs, a comfort package with cushions in the bow and stern as well as a cockpit canopy, a shock-absorbing seat base, and two racing seats, providing added safety and an excellent driving position. The boat features a generous cockpit and ample storage spaces, while the bow thruster and hydraulic steering ensure smooth maneuverability. The engine has only approximately 90 hours of use. The UMS 805 DC is well adapted...
