About this boat

The Uttern C87 is an optimal cabin boat for those who want high comfort on board and at the same time be able to enjoy large social areas. This is an Off-Grid Edition, optimized for longer stays in the archipelago with self-sufficiency in terms of electricity and maximum comfort on board — a boat that offers functions and freedom that are normally found in significantly larger models. The boat is equipped with, among other things, an extensive lithium bank, solar cell system, two cooling systems and its own dinghy with electric motor. This is a boat for those who want that little extra. Thanks to 2 meters of headroom in all interior spaces, even tall people can move around freely and comfortably on board. The s...
