About this boat

FUELLED FOR ADVENTURE The redesigned Uttern T59 doesn't just look more streamlined. The model also has gotten longer and wider, giving you more space on board. On top, it has become an even better companion to discover remote places. Why is that? Its fuel tank is now the largest in its category! An accessible step-out area with stylish bow rails makes it easy and safe to get in and out of the bow. At the back, a large swim platform with motor well step provides easy access on both sides of the transom just as well. Once on board, security is guaranteed by the deep cockpit, high railings and a drain system that keeps the cockpit dry. It is safe for both adults and kids to walk around the Uttern T59. Both the pilo...
