About this boat

Explore Vis island and all its beauties on a half-day speedboat tour. Local skipper with comfortable and reliable boat are there for you to visit the Blue Cave, Stiniva and many other places together. Grab your towels, sunglasses and camera and join me on a trip around the island of Vis. Our first destination is the military tunnel in Parja bay. After that, we sail towards the island of Biševo, where the blue cave is located. I buy you tickets with the speed-entry card to the cave and leave you in the safe hands of the blue cave crew. After that, we go for the first swim in Pritišćina, and then to Stiniva, another well-known natural phenomenon of Vis. We stay in Stiniva for at least an hour so that you have eno...
