About this boat

The YOT 36 Electric stands out in its class, delivering an impressive 42.35 m² of usable space within a compact 36-foot hull. It goes a step further with its advanced electric propulsion, making it an ideal choice for Europe's protected waterways and coastal cruising. Thanks to its catamaran design, it is stable but with a width of only 4 meters, it can fit in the place of single-hull boats. The modular living-dining room design and two separate cabins, as well as two bathrooms, allow all passengers to enjoy maximum comfort, even during longer vacations. 36 feet (approx. 11 m long), 4 m wide 42.35 m² usable interior space Side-folding sun loungers 2 beds – 2 table variations, 4-seater cockpit Electrically retra...
